Grows with Child!

Elevate your game and take it to the hoop!

- Develop your kid's game and keep on challenging them, with an adjustable rim height, so that this hoop can grow with you child.
- Large backboard and sturdy rim can handle even the most intense games, and the real woven net provides the perfect "swoosh" for successful 3-pointers.
- Need to keep the little ones hydrated while they ball out? The base of the basketball hoop features two cup-holders, which double as ball-holders, in case someone shoots a little too long.
- To keep the hoop secure during heated games, the base can be weighed down with water or sand.
- The Shootin' Hoops Junior Basketball Set comes with one 6" basketball, the perfect size for little hands.
