## Practice crosses, layups, and other advanced moves with the Shootin' Hoops Pro Basketball Set from Step2!

- With a rim that adjusts from 48 in (121.9 cm) to 72 in (182.9 cm), your child will be able to continue to perfect their skills as they grow.
- Includes a large backboard, and a break-away rim, so no one hangs on too long after an intense dunk!
- The real woven net gives that perfect "swoosh" to keep little ballers coming back for more!
- The base has two built-in cup holders to hold important hydration during long games, or extra balls so there is no delay in play.
- The base can be weighted down with water or sand (not included) to keep everything upright if things get a little heated on the court.
- Includes one 6" (15.2 cm) basketball, which is the perfect size for little growing hands.
